

# Simply Living

presents

## the Economics of Happiness

Wednesday, August 8<sup>th</sup> at 6:30 pm

at the  
**McConnell Arts Center**  
777 Evening Street, Worthington, Ohio

This internationally acclaimed film depicts how globalization is aggravating nearly every problem we face and how the worldwide localization movement is repairing our ecosystems, our societies and ourselves. As we view this film, our belief in humanity is renewed and our vision for a sustainable world is strengthened.

Admission **\$5** - includes one raffle ticket

Take part in the  
**post-screening discussion**  
with the writer/producer/director,  
**Helena Norberg-Hodge**, via Skype

Purchase tickets through the MAC at [www.mcconnellarts.org](http://www.mcconnellarts.org)

Come see this internationally acclaimed film--  
Talk to folks from local sustainability initiatives
